2.3 DISCOUNT: The State may receive a N/A % discount for payment within N/A days of receipt of correct invoice.

2.4 VENDOR'S PRICING: Attach additional pages if necessary.

2.4.1 Vendor's Price for the Initial Term: \$38,400.00

2.4.2 Renewal Compensation: If the contract is renewed, the price shall be at the same rate as for the initial term unless a different compensation or formula for determining the renewal compensation is stated in this section.

2.4.2.1 Illinois Tollway Formula for Determining Renewal Compensation: This Contract may not be renewed unless the renewal period(s) and any applicable

conditions are shown below. The renewal shall be subject to the same terms and conditions as the original Contract unless otherwise stated below. However, the Contract may not renew automatically, nor may the contract renew solely at the Vendor's option. Illinois Tollway's Formula for Determining Renewal Compensation: Bid prices will remain fixed throughout the first thirty-six (36) months of the initial Contract term. For each twelve (12) month anniversary thereafter, annual price adjustments of the Contract pricing may be made after receipt of a written request from the Vendor. A written request for an annual price adjustment must be made no later than sixty (60) calendar days before the expiration of the initial Contract term and each subsequent twelve (12)-month renewal period. The annual price adjustment is subject to acceptable performance by the Vendor and contingent upon the Tollway's Board of Directors' approval for the procurement of goods or services provided for in this Contract. If the Vendor does not request a price adjustment within such sixty (60) calendar-day period, the Vendor will not be entitled to a price adjustment for the upcoming year. Annual requests for price adjustments shall be based on the Producer Price Index ("PPI") for "**Recyclable Glass**" Series ID: PCU42993042993043, not seasonally adjusted, as it appears in the periodical Producer Price Indices published by the U.S. Department of Labor, Bureau of Labor Statistics ("BLS") found at <http://www.bls.gov>, although this URL is subject to change. (To access the data, click on Data Tools; under Data Retrieval Tools, click on Series Report. Under Series ID, enter PCU42993042993043, click next, click Retrieve Data. Select commodity data and then select Group "**Material Recyclers**" and Item "**Recyclable Glass.**") Should the BLS discontinue the commodity code listed above, the next higher level index shall be used to calculate the price adjustment. All price adjustment calculations will be based upon the latest version of the PPI available at the time of the price adjustment. The effective date of an adjustment shall be the first day of the renewal term. If the PPI data is not available for any month of the final three (3) full months of the annual Contract period, the average of the PPI data for the most recent three (3) full months preceding the anniversary of the Contract will be used in computing the price adjustment. The adjusted Contract price will be determined by performing the following calculation: the original Contract price(s) will be multiplied by the index percent change and then rounded to two (2) decimal places. The index percent change will be calculated by subtracting the base period index value from the average index value of the last full three (3) months of the annual Contract period available at the time of the price adjustment and then the result will be divided by the base period index value. The base period index value for the first allowable price increase is the index value for the start date of the initial term of the Contract and for all subsequent allowable price increase(s). The adjusted Contract price(s) may be higher or lower than the original Contract pricing, as dictated by the applicable index values. Any price adjustments requested in subsequent years of the agreement shall be calculated in the same manner. In no case will any price increase for the renewal period exceed 4% of the previous price. .

2.4.2.2 Vendor's Price for Renewal(s): 2.4.2.1

2.5 MAXIMUM AMOUNT: The total payments under this contract shall not exceed \$46,080.00 without a formal amendment.

The contract may neither renew automatically nor renew solely at the Vendor's option.

3.5 AVAILABILITY OF APPROPRIATION: This contract is contingent upon and subject to the availability of funds. The State, at its sole option, may terminate or suspend this contract, in whole or in part, without penalty or further payment being required, if (1) the Illinois General Assembly or the federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason (30 ILCS 500/20-60), (2) the Governor decreases the Department's funding by reserving some or all of the Department's appropriation(s) pursuant to power delegated to the Governor by the Illinois General Assembly, or (3) the Department determines, in its sole discretion or as directed by the Office of the Governor, that a reduction is necessary or advisable based upon actual or projected budgetary considerations. - 4.21 PERFORMANCE RECORD / SUSPENSION:** Upon request of the State, Vendor shall meet to discuss performance or provide contract performance updates to help ensure proper performance of the contract. Vendor shall monitor performances of each individual and shall reassign immediately any individual who is not performing in accordance with the contract, who is disruptive or not respectful of others in the workplace, or who in any way violates the contract or State policies.

- 4.29 AVAILABILITY OF APPROPRIATION:** This contract is contingent upon and subject to the availability of funds. The State, at its sole option, may terminate or suspend this contract, in whole or in part, without penalty or further payment being required, if (1) the Illinois General Assembly or the federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason (30 ILCS 500/20-60), (2) the Governor decreases the Department's funding by reserving some or all of the Department's appropriation(s) pursuant to power delegated to the Governor by the Illinois General Assembly, or (3) the Department determines, in its sole discretion or as directed by the Office of the Governor, that a reduction is necessary or advisable based upon actual or projected budgetary considerations.
