## 1. DESCRIPTION OF SUPPLIES AND SERVICES

- 1.1. **GOAL:** The Illinois Tollway is dedicated to providing and promoting a safe and efficient system of toll supported highways while ensuring the highest possible level of service to our customers. The Illinois Tollway is looking for vendors who share that commitment and will help meet that goal.
- 1.2. **SUPPLIES AND/OR SERVICES REQUIRED:** The Illinois Tollway is seeking a vendor to furnish and deliver its estimated requirements of Poly Fiber Firm asphalt crack sealant material on an as-needed basis per the following specifications:

- Type: Pretreated Dimensionally Stable Polyester (DSP) fiber
- Denier: 3.0 to 5.0
- Length: ¼ inch
- Specific Gravity: 1.38
- Melting Temperature: 478-490 degrees Fahrenheit
- Tensile Strength: 78,00-88,00 psi
- Elongation at break: 35 – 38%
- Percent of fiber content: 5% (+/- .5%)
- The material provided shall be accepted by the Federal Highway Administration (FHWA) for treatment of filling cracks in asphalt.

1.2.1 Brand Name or Equal: All of the items are specified by manufacturer and manufacturer's product number. Specifications are to establish standards of quality and performance and not for the purpose of limiting competition. Products of other manufacturers may be substituted where specified if the bidder can establish that they are equal to or better than those specified in quality, performance, design, and suitability for intended use. The Illinois Tollway's determination thereof shall be final.

The Illinois Tollway recognizes that differences in engineering design and methods may exist among manufacturers that do not significantly alter performance. The Illinois Tollway reserves the right to determine when such differences are acceptable substitutes to the contract specifications and may waive technical differences in the award of the bid when it is in the best interest of the Illinois Tollway to do so.

1.2.2 Quantities: It shall be expressly understood by the bidder that the estimated bid quantities specified in the contract documents are for the purpose of determining the lowest bid and to establish unit prices. The Tollway may, over the term of the Contract, place orders for more or fewer than the estimated quantities stated. The Tollway does not guarantee that any minimum number of quantities shall be ordered from the Vendor. Materials furnished under this contract shall be delivered in multiple deliveries as determined by the needs of the Illinois Tollway. The estimated quantities of this contract

shall be based on a period of three (3) years; prices shall remain firm for the term of the contract. The decision to pre-order and hold any inventory rests solely with the Vendor.

1.2.3 Return of Goods: The Illinois Tollway may find it necessary to return materials purchased under the contract if they become unusable due to a change in requirement. The Vendor shall agree to credit the purchase price to the Illinois Tollway for any returned items obtained through the contract. It is understood and agreed that such returned items shall be clean, undamaged, and in a saleable condition. This return agreement shall be in effect for a period of ninety (90) days from the termination date of the contract even though the vendor does not hold the contract at the time the return is made.

1.2.4. Backorders: Electronic or written notification of backordered materials shall be sent immediately to the Using Department. For any backorders for materials manufactured prior to ordering that cannot be filled within ten (10) business days, the Tollway shall have the option of accepting or canceling the backorder or the Tollway may submit a request for a substitute.

1.2.5. Mis-shipments and Defective Merchandise: The Vendor shall be responsible for any incorrect or damaged shipments and defective merchandise. The Vendor shall make arrangements with their common carrier or company personnel to pick-up any unacceptable materials within forty-eight (48) hours of notification.

The Vendor shall replace the incorrect, damaged or defective merchandise or issue a credit within ten (10) business days of the return. If the replacement merchandise or a credit is not received within ten (10) business days, the Tollway shall deduct the amount of the return from any outstanding invoice at the time of payment.

The Tollway shall not be subject to restocking charges due to Vendor error. The Illinois Tollway shall not pay any restocking charges for incorrect, damaged, or defective items returned under the contract.

***Per Section A.10, "If the Bidder submits its Bid entirely via BidBuy, the Bidder must complete, sign, and upload all required documents..." Failure to attach these documents to the Bid shall render the bid non-responsive. Please refer to Section A.10 for a complete bulleted listing.***

For procurements conducted in BidBuy, the State may include in this contract the BidBuy Purchase Order as it contains the agreed Supplies and/or Services.

1.3. **MILESTONES AND DELIVERABLES:** Vendor shall submit itemized invoices within fifteen (15) days of each delivery to the Tollway. Vendor hereby assigns to the State all right, title, and interest in and to such work including any related intellectual property rights, and/or waives any and all claims that Vendor may have to such work including any so-called "moral rights" in connection with the work. Vendor acknowledges the State may use the work product for any purpose. Confidential data or information contained in such work shall be subject to the confidentiality provisions of this contract.
- 4.10 INDEMNIFICATION AND LIABILITY:** The Vendor shall indemnify and hold harmless the State of Illinois, its agencies, officers, employees, agents and volunteers from any and all costs, demands, expenses, losses, claims, damages, liabilities, settlements and judgments, including in-house and contracted attorneys' fees and expenses, arising out of: (a) any breach or violation by Vendor of any of its certifications, representations, warranties, covenants or agreements; (b) any actual or alleged death or injury to any person, damage to any real or personal property, or any other damage or loss claimed to result in whole or in part from Vendor's negligent performance; (c) any act, activity or omission of Vendor or any of its employees, representatives, subcontractors or agents; or (d) any actual or alleged claim that the services or goods provided under this contract infringe, misappropriate, or otherwise violate any intellectual property (patent, copyright, trade secret, or trademark) rights of a third party. In accordance with Article VIII, Section 1(a),(b) of the Constitution of the State of Illinois, the State may not indemnify private parties absent express statutory authority permitting the indemnification. Neither Party shall be liable for incidental, special, consequential, or punitive damages.
- 4.11 INSURANCE:** The Vendor shall procure and maintain for the duration of the contract, insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the work by the Vendor, his/her agents, representatives, employees or subcontractors. Work shall not commence until insurance required by this section has been obtained, and documentation has been submitted to and accepted by the Illinois Tollway. The insurance companies providing coverage shall be rated by A.M. Best Company with a Financial Strength Rating of A- or better and a

financial size category of not less than VII. Insurance coverage shall not limit Vendor's obligation to indemnify, defend or settle any claims.

- A. Minimum Scope of Insurance Coverage shall be at least as broad as:

Policies shall contain a waiver of subrogation waiving any rights of recovery that the insurer(s) may have against the Illinois Tollway and its officials, directors, and employees.

All deductibles or self-insured retentions must be declared and accepted by the Illinois Tollway. Proof of insurance shall include copies of the applicable "additional insured" endorsements for the review of and approval by the Illinois Tollway. Any failure by the Illinois Tollway to request proof of insurance will not waive the requirement for procuring and maintaining the minimum insurance coverages specified.
