Contract #: N/A

Description: An Intergovernmental Agreement with the Village of Hinsdale (“Village”)

Scope: The Tollway has commenced work on a series of improvements to the Central Tri-State (I-294) between 95th Street and Balmoral Avenue, including stormwater detention on Tollway right-of-way along Harding Road in the Village (“Project”). Original plans included open surface detention at this location. The Village indicated a preference for underground detention. The Tollway agreed to the Village’s request for underground detention, the extra cost of which would be approximately \$420,000. However, in view of the Tollway’s agreement to construct underground detention, the Tollway will not have to pay the Village for the trees it will remove. Also, the Village agreed to perform at grade routine maintenance of the underground detention.

Approval of Extension of Amnesty Program

Contract: N/A

Description: Extension of Amnesty Program

Background: Section 10(a-5) of the Toll Highway Act, 605 ILCS 10/10(a-5), grants The Illinois State Toll Highway Authority (“Tollway”) discretionary authority to implement amnesty programs relative to fines and penalties imposed as a result of toll evasion and/or toll violations.

In June 2020, consistent with the Tollway’s ongoing implementation of tolling reform, and in view of the Governor of Illinois’ declaration of all counties in the State of Illinois a disaster area due to the COVID-19 pandemic that continues to challenge the State and the nation, the Tollway determined that it was in the best interest of the Tollway and Tollway patrons for the Tollway to implement an amnesty program. Accordingly, on June 25, 2020, pursuant to Resolution No. 22053, the Tollway implemented an amnesty program pursuant to which:

- unpaid fines and penalties relating to unpaid tolls incurred on and between March 9, 2020 and June 25, 2020 were eliminated (“March 9 Amnesty amount”); and
- unpaid fines and penalties relating to unpaid tolls incurred prior to March 9, 2020 were substantially decreased (“Pre-March 9 Amnesty amount”).

In order to receive amnesty, Tollway customers were required to pay their March 9 Amnesty and Pre-March 9 Amnesty amounts (both of which included all outstanding tolls), in full, by December 30, 2020. Customers who failed to pay their full March 9 Amnesty and Pre-March 9 Amnesty amounts by the stated deadline would not receive amnesty and would be liable for the total of all unpaid tolls, fines and penalties.

Under the amnesty program, partial payment did not extend the amnesty payment deadline nor did it relieve a customer of liability for the total of all unpaid tolls, fines, and penalties.

The amnesty program had no effect on payment plans agreed to and/or initiated on or before June 25, 2020, including court-sanctioned payment plans.

The amnesty program had no retroactive effect with regard to payments already tendered to the Tollway, whether full payments or payments in an amount greater than the total March 9 Amnesty and Pre-March 9 Amnesty amounts, and it did not result in any refunds or credits.

Also, the amnesty program was not applicable to toll evasion citations issued by the Illinois State Police or other authorized law enforcement agencies.

Approval of Extension of Amnesty Program

Background (continued): Pursuant to Resolution Nos. 22143 and 22266, the Tollway extended the deadline of the amnesty program to September 3, 2021.

In order to smoothly transition the collection of unpaid tolls, fines and fees to the Tollway’s new Violation Enforcement Program (see Resolution No. 22265), it is in the best interest of the Tollway to reinstitute the amnesty program, on the same terms as set forth above, for the period from September 9, 2021 to February 10, 2022. Under the reinstated amnesty program, all March 9 Amnesty and Pre-March 9 Amnesty amounts (both of which included all outstanding tolls) must be paid, in full, by 5:00 p.m. Central Standard Time on February 10, 2022.
