Pursuant to the requirements of the Authority's By-Laws, Notice is hereby given of the Regular Board Meeting of the Authority to be held on Tuesday, April 26, 2022 at 8:30 a.m. Due to necessary precautions relating to Coronavirus (COVID-19), in accordance with the Gubernatorial Disaster Proclamation and current conditions, and consistent with the legislature's recent amendments to the Open Meeting Act, 5 ILCS 120/7(e), which suspend the requirement of a physical quorum, the April 26, 2022 Board Meeting will be held telephonically.

There will be live audio feed of the committee meetings available on the Tollway website at www.illinoistollway.com while in session. Members of the public who wish to make public comment may participate *via* audio conference call by calling 1-844-291-6362 and using the access code: 8534398.

Dorothy Abreu, Chair

An audio file will be available five business days after the meeting at www.illinoistollway.com, and written meeting minutes will be available at www.illinoistollway.com after their approval at the next regular Board meeting.

Upon notification of anticipated participation, the Tollway will endeavor to ensure that individuals with disabilities can participate in this meeting. Persons with disabilities who plan to participate and need accommodations to do so should contact the EEO/AA/ADA Officer of The Illinois State Toll Highway Authority at (630) 241-6800, Ext. 1010, at least two days in advance of the meeting, and if possible, the Tollway will provide reasonable accommodations. Related information, which may or may not be applicable to this telephonic meeting, can be found on the Tollway's website: <https://www.illinoistollway.com/about/board-information/>.

Contract Award – Tollway Request for Proposal

Contract #: 20-0182R

Vendor: PFM Financial Advisors LLC; Philadelphia, PA

Description: Municipal Advisor Services

Scope: This contract provides a source for a vendor to serve as the Tollway’s registered Municipal Advisor, including for purposes of the independent registered municipal advisor (IRMA) exemption to the SEC’s Municipal Advisor Rule. The vendor will provide services in connection with Tollway revenue bond issuances, including bond issuances to finance portions of the *Move Illinois* Program and to refinance (a.k.a. refund) outstanding amounts of prior Tollway bond issuances. Services may also include reviewing information received by the Tollway from bond underwriting firms; monitoring secondary market pricing and refunding opportunities of the Tollway’s existing bond portfolio; providing market and regulatory updates; assisting with cash flow modeling/analysis; assisting with solicitations for credit enhancement, bank facilities, and/or bond trustee services; providing advice regarding investment of bond proceeds; assisting with continuing disclosure obligations and arbitrage rebate calculations; and providing other municipal advisor services as requested by the Tollway.

Amount: \$785,000.00 (estimated total for the initial term and the possible renewal term, based on projected bond issuance)
Rate is firm at a per-bond-issuance rate of \$0.20 per \$1,000, subject to a \$50,000 minimum and \$75,000 maximum.

Company Information

PFM Financial Advisors is a limited liability company with five years in business and approximately 187 employees. They provide financial advisory, consulting, strategic forecasting, alternative finance, and specialized services. Prior to mid-2016, financial advisory services were performed under the name Public Financial Management, Inc., a Pennsylvania corporation since 1975. PFM Financial Advisors LLC is registered as a Municipal Advisor with both the Securities and Exchange Commission (SEC) and the Municipal Securities Rulemaking Board (MSRB). Offices include a Chicago location.

Reason: This construction change order/extra work order is for costs for schedule recovery in the form of premium time for extended shifts and weekend work and for additional labor, materials and equipment costs due to a delayed start. The start of work was delayed due to the COVID-19 pandemic as Federal Aviation Administration (FAA) personnel were not available to provide necessary support for approach runway lighting work and because the work start had to be coordinated with the Chicago Department of Aviation so as not to conflict with construction and operations at O'Hare Airport.

Impact on Completion: No current impact.**Company Information**

Plote Construction was founded in 1964 and incorporated in Illinois. They are headquartered in Hoffman Estates, IL and provides construction services including excavation, grading, and building.

Land Acquisition – Sale of Excess Property

Contract #: N/A

Description: This resolution authorizes the sale of Parcels T-1C-652.EX, T-1C-653.EX, T-1C-654.EX, T-1C-655.EX, T-1C-656.EX, T-1C-657.EX, T-1C-658.EX, T-1C-659.EX, T-1C-660.EX and T-1C-661.EX., located north of 159th Street and west of I-294 in Markham. The original parcels were purchased for the Tri-State Tollway (I-294).

Scope: The City of Markham intends to use the property for economic development purposes.

- The excess property consists of 65,740 square feet;
- Date of original purchase: 1957
- Proposed development: The project is a travel center that will include gas and diesel sales, restaurants and a convenient store. The City is working with a developer and will deed the property to the developer at no profit.
- The City of Markham prepared an appraisal and our in-house appraiser reviewed it and it was agreed the value is \$175,000.00

The Excess Property Committee determined on 3/7/22 the parcel is excess to the Tollway’s needs and approved the parcel to be transferred via Intergovernmental Agreement and Quitclaim Deed.

Amount: \$175,000.00

Intergovernmental Agreement

Contract #: N/A

Description: IGA with Ohio University (“University”)

Scope: The construction of I-490 along the west side of O’Hare Airport (“Project”) requires extensive technical coordination, during and after construction, to address issues relating to runway infrastructure, including runway closures and outages. To perform aircraft measurement and data collection, aviation modeling and technical coordination/reviews (“Flight Checks”), as required by the Tollway’s IGA with the City of Chicago, the Tollway is partnering with the University of Ohio’s Avionics Engineering Center. The University has demonstrated necessary expertise relative to the performance of Flight Checks at O’Hare Airport and other airports around the world. The anticipated duration of the IGA is 6-years, and it will cost the Tollway approximately \$1,700,000.

Amount: Cost to the Tollway is estimated to be \$1,700,000.

Intergovernmental Agreement

Contract #: N/A

Description: Second Addendum to IGA with Pace, the Suburban Bus Division of the Regional Transportation Authority (“Pace”)

Scope: On August 1, 2014, the Tollway and Pace entered into an Intergovernmental Agreement (“IGA”) that identifies each party’s responsibilities for the construction of Park-n-Ride facilities to be built on Tollway property along I-90 at the Randall Road, Illinois Route 25 and Barrington Road Interchanges for the benefit of Pace and its customers. On August 18, 2017, the parties amended the IGA to identify each party’s participation and responsibilities for the construction of a pedestrian bridge spanning I-90 at the Barrington Road Interchange. This Second Addendum to the IGA identifies certain ownership and maintenance responsibilities for the pedestrian bridge and related facilities that were previously unknown or unforeseen. This Second Addendum also establishes the Tollway’s cost responsibility of \$386,815 for work Pace performed at the Illinois Route 25 Park-n-Ride facility. The Tollway’s final invoice to Pace for the pedestrian bridge construction will be reduced by said amount.

Amount: Reduction of Pace reimbursement due to the Tollway for the Pedestrian Bridge construction by \$386,815.

Intergovernmental Agreement

Contract #: N/A

Description: IGAs with Fire Protection Districts and Municipal Fire Departments

Scope: To ensure the highest degree of safety on its roadways, the Tollway previously adopted Resolution Nos. 5458, 9589, 9885 and 14490, which authorize the Tollway to enter into intergovernmental agreements, with fire protection districts and municipal fire departments bordering its rights-of-way, for the provision of fire protection and emergency medical and ambulance services along Tollway toll roads. The Resolutions also set forth the rates at which the Tollway will reimburse the fire protection districts and municipal fire departments for such services.

The intergovernmental agreements between the Tollway and fire protection districts and municipal fire departments that provide fire protection and emergency medical and ambulance services to Tollway patrons were last updated in 1995. The Tollway recently prepared a template intergovernmental agreement that, among other things, updates and streamlines the process by which the Tollway provides reimbursement to fire protection districts and municipal fire departments. The template intergovernmental agreement is attached hereto.

It is in the best interest of the Tollway to enter into updated intergovernmental agreements with fire protection districts and municipal fire departments that provide fire protection and emergency medical and ambulance services to Tollway patrons.

Amount: The estimated cost to the Tollway is \$350,000
