LANE CLOSURES SCHEDULED ON I-290 RAMP TO LAKE STREET/NORTH AVENUE, NEAR THE TRI-STATE TOLLWAY (I-294) IN ELMHURST AND NORTHLAKE

Up to four nights of closures needed to safely accommodate ramp bridge removal for Central Tri-State Tollway (I-294) Project

DOWNERS GROVE, IL – Ramp bridge removal work associated with the reconstruction and widening of the Central Tri-State Tollway (I-294) is scheduled to begin next week and will require nightly closures of the ramp connecting westbound I-290 to eastbound Lake Street/ North Avenue. No detours will be posted.

The temporary closures are necessary to accommodate the removal of the old ramp bridge connecting southbound I-294 to westbound I-290, following completion of the new ramp bridge in 2021. Up-to-date information regarding lane closures will be available in the Illinois Tollway's [Daily Construction Alert](#). All work is weather dependent.

Beginning Monday, February 7, the ramp carrying westbound I-290 to eastbound Lake Street/ North Avenue is scheduled to close at 8 p.m. The ramp is scheduled to reopen by 5 a.m. each following morning. Up to four nights of ramp closures will be needed to complete the removal work. No detour will be posted.

Construction in this area is being coordinated with the Illinois Department of Transportation, Cook County, City of Elmhurst and City of Northlake, as well as local fire and police departments.

Construction updates, project information, and maps for work that is part of the Central Tri-State Tollway (I-294) Project are available in the Projects section on the Tollway's website at www.illinoistollway.com.

The \$4 billion Central Tri-State Tollway (I-294) Project is reconstructing and widening the roadway between Balmoral Avenue and 95th Street to provide congestion relief, update old infrastructure to meet current and future transportation demand and address regional needs. This work is part of the Tollway's 15-year, \$14 billion capital program, *Move Illinois: The Illinois Tollway Driving the Future*. More than 220,000 vehicles use the Central Tri-State Tollway daily.

Work Zone Safety

Construction zone speed limits are in effect in all construction zones 24/7 and drivers should continue to watch for changing traffic patterns and use caution, especially when workers are present.

The Illinois Tollway reminds motorists that the "Move Over Law" requires motorists to change lanes or to slow down and proceed with caution when passing any vehicle on the side of the road with hazard lights activated. If you see flashing lights ahead, please move over or slow down.

Illinois State Police have zero tolerance for drivers speeding in work zones or failure to comply with the Move Over Law. The minimum penalty for speeding in a work zone is \$250 with up to a \$25,000 fine and a 14-year jail sentence for hitting a roadway worker. Penalties for failure to slow down or move

-more-

over for a vehicle on the shoulder with flashing lights includes up to a \$10,000 fine, 2-year suspension of driving privileges and jail time, in extreme cases.

About *Move Illinois*

The Illinois Tollway's 15-year, \$14 billion capital program, *Move Illinois: The Illinois Tollway Driving the Future*, is improving mobility, relieving congestion, reducing pollution, creating as many as 120,000 jobs and linking economies throughout the region. The first 10 years of *Move Illinois* is on schedule and within budget, delivering the rebuilt and widened Jane Addams Memorial Tollway (I-90) as a state-of-the-art 21st century corridor and opening a new interchange connecting the Tri-State Tollway (I-294) to I-57. Progress continues on projects addressing the remaining needs of the existing Tollway system, delivering the Elgin O'Hare Western Access Project and reconstruction of the Central Tri-State Tollway (I-294).

About the Illinois Tollway
