Contract Award – Cooperative Purchase

Contract #: 22-0179

Vendor: CDW Government LLC; Vernon Hills, IL

Description: Adobe Licensing, Maintenance, and Support

Scope: This contract provides a source for the purchase of Adobe licensing, maintenance, and support which includes the latest versions of the Adobe creative desktop applications such as Adobe Photoshop, Illustrator, and InDesign as well as software used to create and read PDF documents. This procurement also provides the Tollway with electronic signature capability including the ability to send, sign, track, and manage signature processes.

The contract being utilized (Contract 081419-CDW) is a cooperative purchasing agreement between CDW Government LLC and Sourcewell.

Amount: \$182,780.00

Company Information

CDW Government is a limited liability company with 24 years in business and approximately 9,000 employees. They provide hardware and software products, maintenance, and support as well as integrated information technology solutions such as mobility, security, data center optimization, cloud computing, virtualization, and collaboration for government, education, and healthcare customers.

Order Against DoIT Master Contract

Contract #: 22-0119

Vendor: Motorola Solutions, Inc.; Chicago, IL

Description: Motorola Starcom Radio Services

Scope: This procurement provides for the continued use of the Tollway's Starcom21 radios. Starcom is a statewide public safety communications network that provides voice communications for public safety entities as well as the public transportation community. Users include the Tollway, IDOT, Metra, Illinois State Police, Illinois Department of Public Health, as well as local police, fire, and emergency medical services. Starcom is the primary voice communications for all of the Tollway's maintenance units, HELP trucks, and Illinois State Police District 15. The Tollway currently has about 1,200 Starcom radios deployed.

Amount: \$229,836.00

Company Information

Motorola Solutions is incorporated with 11 years in business (although the company's history stretches back as far as 1928). The company employs approximately 18,700 employees worldwide. They provide communications equipment, software, and managed and support services.

Financial Summary

Change Order / Extra Work Order

Contract #: I-21-4732

Vendor: Walsh Construction Company II, LLC; Chicago, IL

Description: Railroad Bridge Construction Union Pacific Railroad and Earthwork

Location: Elgin O'Hare Western Access Tollway (I-490) Franklin Avenue to South of Irving Park Road (IL-19) and Jane Addams Memorial Tollway (I-90) from MP 62.00 to MP 62.25 (Barrington Road)

Change Amount: \$2,100,000.00

Reason: This construction change order / extra work order is for compensation for a fuel cost adjustment due to increase in the cost of fuel since the time of bid. The Contractor elected to make the fuel cost adjustment option a part of the contract which allows for payment to the Contractor or credit to the Tollway due to fluctuations in the cost of fuel based on a monthly index. The amount of the change order/extra work order is estimated and only actual cost will be paid.

Impact on Completion: No current impact.

Land Acquisition – Transfer of Excess Property

Contract #: N/A

Description: This resolution authorizes the transfer of a portion of Parcel NW-7B-12-009, which is located in Des Plaines, IL to Wille Road, LLC.

Scope: As part of a settlement agreement between the Illinois Tollway (Tollway) and Wille Road, LLC. for the acquisition of parcel NW-7B-12-010, a portion of Tollway right of way parcel NW-7B-12-009 is required to be transferred to Wille Road, LLC.

- Date of original purchase: Parcel NW-7B-12-010 10/28/2021
- Date of original purchase: Parcel NW-7B-12-009 12/14/2020
- The Tollway purchased the parcels for I-90 and I-490 interchange construction in 2020. This portion was used to reshape and relocate Wille Road, LLC’s detention pond, which, in turn, allowed the Tollway to construct the new I-90 and I-490 Interchange ramps. Since the required relocation and reshaping work of Wille Road LLC’s detention pond is fully completed, the Tollway is in a position to fulfill the Settlement Agreement with the transfer of a portion of parcel NW-7B-12-009 to Wille Road, LLC.
- The parcel is located north of the westerly end of Service Drive In Des Plaines.
- The excess property consists of 0.319 acres

The Excess Property Committee determined on 12/23/20 the parcel is excess to the Tollway’s needs and approved the parcel to be transferred via Quitclaim.

Amount: \$0.00
