

THE ILLINOIS STATE TOLL HIGHWAY AUTHORITY
Tollway Headquarters
2700 Ogden Avenue
Downers Grove, Illinois 60515

Governor JB Pritzker
Secretary Omer Osman
Director James Connolly
Director Alice Gallagher
Director Jacqueline Gomez

Director Karen McConnaughay
Director Scott Paddock
Director Gary Perinar
Director James Sweeney

Pursuant to the requirements of the Authority's By-Laws, Notice is hereby given of the Regular Board Meeting of the Authority to be held on Thursday, February 23, 2023, at 9:15 a.m. in the Boardroom of Tollway Headquarters in Downers Grove, Illinois.

Arnaldo Rivera, Chair

This meeting will be accessible to individuals with disabilities in compliance with Executive Order #5, and pertinent state and federal laws, upon notification of anticipated attendance. Persons with disabilities planning to attend and needing accommodations should contact the Americans with Disabilities Act Coordinator of The Illinois State Toll Highway Authority at (630) 241-6800, Ext. 1010 in advance of the meeting at 2700 Ogden Avenue, Downers Grove, IL, to inform of their anticipated attendance. Information can also be found on our website at <https://www.illinoistollway.com/about/board-information/>.

There will be live feed Webcasting of the Board Meeting while in session. A video file will be available five business days after the meeting at www.illinoistollway.com.

Contract Award – Tollway Invitation for Bid

Contract #: 22-0091**Vendor:** Global Technical Systems, Inc.; Jacksonville, IL**Description:** Mobile Radio System Replacement

Scope: The contract provides a source for the purchase of 300 Kenwood radios along with installation services, training, and a three-year warranty. The radios are used by Troop 15 Illinois State Police as a backup to the primary Starcom radio system providing car-to-car communication capability for the troopers. These radios will replace equipment that is end of life and that parts are no longer available for. Two hundred twenty-five of the radios will be installed immediately and 75 will be spares that will be deployed as necessary.

Amount: \$1,235,480.00**Company Information**

Global Technical Systems is incorporated with 28 years in business and approximately 20 employees. They are an authorized Kenwood radio dealer and service provider that specializes in supplying and installing radios.

Financial Summary

Release Off a Multiple Award Master Contract (ROMAMC)

Contract #: 23-0005

Vendor: SHI International Corp.; Somerset, NJ

Description: Cartegraph Software Subscriptions plus Maintenance and Support

Scope: The contract provides a source for the purchase of Cartegraph software subscriptions, including software maintenance and support. Cartegraph Operations Management Software (OMS) is a user-centric solution that has been deployed in hundreds of cities, counties, and state agencies to manage asset infrastructure. Cartegraph software has been customized and developed to integrate with various Tollway systems, including Catapult, e-Builder, and TIMS.

The contract being utilized (Contract AR2488) is between SHI International Corp. and the State of Utah which issued a request for proposals on behalf of NASPO (National Association of State Procurement Officials) ValuePoint Cooperative Purchasing Organization participating states and their eligible end users. The CPO's Office established the ROMAMC master contracts from these cooperative contracts and the Tollway benefits from the negotiated prices.

Amount: \$286,826.27

Company Information

SHI International is incorporated with 34 years in business and approximately 10,000 employees worldwide. They are a technology solutions provider serving corporate, enterprise, public sector, and academic customer organizations around the world through the use of technologies ranging from software licensing and end-user computing devices to innovative cloud and edge solutions.

Item Number:

6.1/7 / 6.2/7

Activity Type: **Approval/Resolution**

Change Order / Extra Work Order

Contract #: I-21-4737

Vendor: Judlau Contracting, Inc.; College Point, NY

Description: Railroad Retaining Wall Construction

Location: Elgin O'Hare Western Access Tollway (I-490) between MP 0.9 (Canadian Pacific Railway Bensenville Yard) and MP 1.8 (Irving Park Road (IL 19))

Change Amount: \$1,120,640.00

Reason: This construction change order / extra work order is for compensation for a steel cost adjustment due to an increase in the cost of steel since the time of bid. The Contractor elected to make the steel cost adjustment option a part of the contract which allows for payment to the Contractor or credit to the Tollway due to fluctuations in the cost of steel based on a monthly index. The amount of the change order/extra work order is estimated and only actual cost will be paid.

Impact on Completion: No current impact.

Company Information

Judlau Contracting was established in 1983 and headquartered in New York specializing in large public works projects, including bridges, tunnels, subways, and highways. In Illinois they operate 1 main office and 7 field offices and currently has a staff of 200 employees. In 2010, OHL USA, a member of the OHL Group, acquired an equity interest in Judlau Contracting. The OHL Group operates in 26 countries.

Item Number:

6.1/8 / 6.2/8

Activity Type: **Approval/Resolution**

Change Order / Extra Work Order

Contract #: I-21-4732

Vendor: Walsh Construction Company II, LLC; Chicago, IL

Description: Railroad Bridge Construction Union Pacific Railroad and Earthwork

Location: Elgin O'Hare Western Access Tollway (I-490) Franklin Avenue to South of Irving Park Road (IL-19) and Jane Addams Memorial Tollway (I-90) from MP 62.00 to MP 62.25 (Barrington Road)

Change Amount: \$3,838,482.08

Reason: This construction change order/extra work order is for modifying the temporary soil retention system that is being installed to hold soil in place during construction of the new Union Pacific Railroad bridge. The Union Pacific Railroad (UPRR) updated requirements for the retention system after the contract was awarded and has mandated that the Contractor meet UPRR's current requirements. The Contractor must make the changes to secure UPRR approval to enable construction to proceed and not cause delay to adjacent I-490 work. The amount of the change order is estimated and only actual cost will be paid.

Impact on Completion: No current impact.

Company Information

Walsh Construction Company is a family held business since 1898, and was incorporated in Illinois in 1949. They have 15 locations and is headquartered in Illinois and employ over 5,000 engineers and skilled tradesmen. There are over 300 employees in their Chicago, IL location.

Intergovernmental Agreement

Contract #: N/A

Description: Intergovernmental Agreement with the Illinois Department of Transportation (“IDOT”)

Scope: The Tollway and the IDOT jointly provide *999 mobile phone services to the motoring public, identifying incidents on Tollway highways and IDOT roadways throughout Northeastern Illinois. The Tollway contracted with the Chicago Lighthouse for People Who are Blind or Visually Impaired to provide this service (“Contract”). IDOT has agreed to participate by reimbursing 50% of the costs the Tollway incurs, specifically \$303,218.61, for year one of the Contract, and \$294,838.69 for year two of the Contract and each potential renewal year.

Amount: IGA Cost to the Tollway is \$0. IDOT is reimbursing the Tollway \$303,218.61 for the Contract’s first year, \$294,838.69 for services provided during the second year, and \$294,838.69 for services provided during each and every renewal year.
