## **OVERNIGHT CLOSURES SCHEDULED ON ROBERTS ROAD AND 87<sup>TH</sup> STREET FOR CENTRAL TRI-STATE TOLLWAY (I-294) BRIDGE RECONSTRUCTION WORK** *Local road closures with detours needed over next two weeks to safely accommodate bridge beam placement*

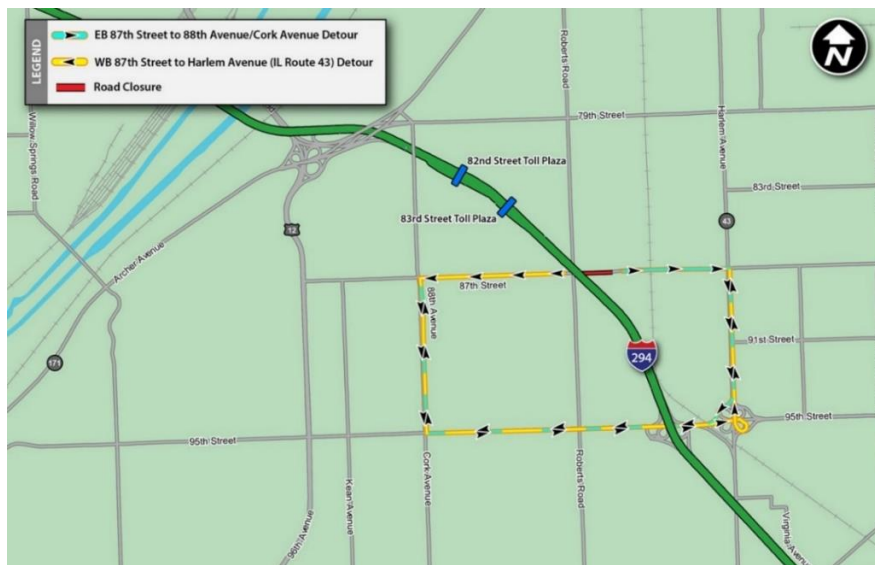

**DOWNERS GROVE, IL** – Overnight local road closures with detours will be scheduled over the next two weeks on Roberts Road and 87<sup>th</sup> Street to accommodate mainline bridge beam placement on the Central Tri-State Tollway (I-294) Project. Up to two weeks of closures will be needed to complete the work.

The temporary closures are necessary to safely to complete placement of bridge beams on I-294 over Roberts Road and 87<sup>th</sup> Street. Electronic message signs and construction signage will be in place in advance to alert drivers to each of the closures and detours. Up-to-date closure information will be posted on the Tollway website in the [Daily Construction Alert](#). All work is weather dependent.

The full roadway closures with detours will be scheduled on both Roberts Road and 87<sup>th</sup> Street under I-294. The local road closures will be scheduled between 9 p.m. and 5 a.m. The roads will not be closed simultaneously.

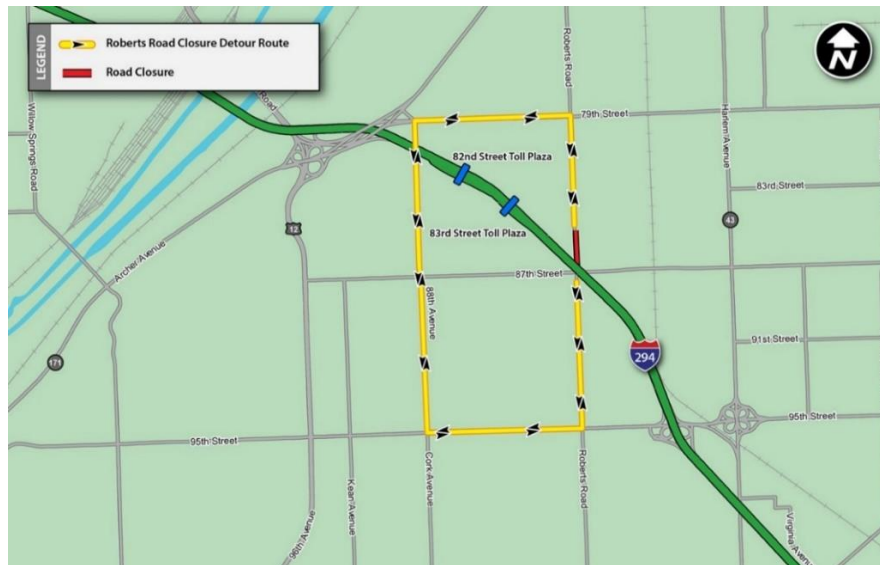

In addition, on I-294 overnight lane closures in both directions will be scheduled as needed during this time.

On 87<sup>th</sup> Street under I-294, beginning Wednesday, March 29, up to three nights of full roadway closures will be scheduled. During the 87<sup>th</sup> Street closures, a posted detour will route traffic via Cork Avenue, 95<sup>th</sup> Street and Harlem Avenue.

-more-

Once work at 87th Street is complete, beginning Tuesday, April 4, up to three nights of full roadway closures will be scheduled on Roberts Road under I-294. During the Roberts Road closures, a posted detour will route traffic via 95th Street, 88th Avenue/Cork Avenue and 79th Street.

To accommodate bridge replacement work, traffic is currently reduced in both directions on Roberts Road and 87th Street. Traffic will remain in this configuration through 2023 for bridge work.

Construction in this area is being coordinated with the Illinois Department of Transportation, Cook County Department of Transportation and Highways, Village of Bridgeview, City of Hickory Hills, Village of Justice, as well as local fire and police departments.

Construction updates, project information, maps and detour information for work that is part of the Central Tri-State Tollway (I-294) Project are available in the Projects section on the Tollway's website at [www.illinoistollway.com](http://www.illinoistollway.com).

In 2023, the Illinois Tollway is continuing work on southern section of the Central Tri-State Project between I-55 and 95th Street, which includes rebuilding and widening the roadway to five lanes in both directions, including construction of new I-294 bridges over I-55, Flagg Creek, 87th Street and Roberts Road, as well as reconstructing shoulders including adding Flex Lanes. This mainline work is scheduled to be complete by the end of 2023.

The \$4 billion Central Tri-State Tollway (I-294) Project is reconstructing and widening the roadway between Balmoral Avenue and 95th Street to provide congestion relief, update old infrastructure to meet current and future transportation demand and address regional needs. This work is part of the Tollway's 15-year, \$14 billion capital program, *Move Illinois: The Illinois Tollway Driving the Future*. More than 220,000 vehicles use the Central Tri-State Tollway daily.

### **Work Zone Safety**

Construction zone speed limits are in effect in all construction zones 24/7 and drivers should continue to watch for changing traffic patterns and use caution, especially when workers are present. On I-294, a 45 mph work zone speed limit is in effect throughout the construction season. On both 87th Street and Roberts Road, a 35 mph work zone speed limit is in effect.

The Illinois Tollway reminds motorists that the “Move Over Law” requires motorists to change lanes or to slow down and proceed with caution when passing any vehicle on the side of the road with hazard lights activated. If you see flashing lights ahead, please move over or slow down.

Illinois State Police have zero tolerance for drivers speeding in work zones or failure to comply with the Move Over Law. The minimum penalty for speeding in a work zone is \$250 with up to a \$25,000 fine and a 14-year jail sentence for hitting a roadway worker. Penalties for failure to slow down or move over for a vehicle on the shoulder with flashing lights includes up to a \$10,000 fine, 2-year suspension of driving privileges and jail time, in extreme cases.

### **About Move Illinois**

The Illinois Tollway’s 15-year, \$14 billion capital program, *Move Illinois: The Illinois Tollway Driving the Future*, is improving mobility, relieving congestion, reducing pollution, creating as many as 152,000 jobs and linking economies throughout the region. The first 11 years of *Move Illinois* are on schedule and within budget, delivering the rebuilt and widened Jane Addams Memorial Tollway (I-90) as a state-of-the-art 21<sup>st</sup> century corridor and opening a new interchange connecting the Tri-State Tollway (I-294) to I-57. Progress continues on projects addressing the remaining needs of the existing Tollway system, delivering the Elgin O’Hare Western Access Project and reconstruction of the Central Tri-State Tollway (I-294).

### **About the Illinois Tollway**

The Illinois Tollway is a user-fee system that receives no state or federal funds for maintenance and operations. The agency maintains and operates 294 miles of roadways in 12 counties in Northern Illinois, including the Reagan Memorial Tollway (I-88), the Veterans Memorial Tollway (I-355), the Jane Addams Memorial Tollway (I-90), the Tri-State Tollway (I-94/I-294/I-80) and the Illinois Route 390 Tollway.
