JOINT STATEMENT FROM THE ILLINOIS TOLLWAY AND CANADIAN PACIFIC RAILWAY

“The Illinois Tollway and Canadian Pacific Railway have taken a significant step toward making western access to and from O’Hare International Airport a reality, and a significant step toward resolving issues related to the routing of the I-490 Tollway through CP’s Bensenville Yard, by agreeing to a letter of intent today. The letter of intent creates a framework for a final agreement that both parties are hopeful will be executed in the near future.”
