Quarterly Report Format

This is the first in a series of four quarterly reports for the period of the fiscal year of July 1, 2018 to June 30, 2019. Each of the quarterly reports follow the same format consisting of six sections. Each section is based upon forms required by the Illinois Department of Human Rights (IDHR).

The first section consists of the “Program Goals” and objectives for each quarter. The Affirmative Action Plan (Plan) written each year has a detailed section detailing how the Tollway plans to meet its program and numerical goals and objectives of achieving a workforce with no categories underutilized. Each quarter, those goals are reviewed to see whether or not the Tollway is on schedule to meet the goals. This is shown on IDHR form 13Q.

The second section lists the “Quarterly Underutilization Summary” for each region of the state in which Tollway employees are working. While IDHR breaks the state into eleven regions, the Tollway has employees working in only three of the regions. The underutilization from the beginning of the Plan is identified. The race and sex of each newly hired employee, promoted employee and the termination of each employee is categorized into job groups as identified by IDHR (officials/managers, professional, technical, administrative support, skilled craft and service maintenance). The promoted and newly hired employees are subtracted from the underutilization at the beginning of the quarter. This process determines the current underutilization. This is shown on IDHR form 12Q.

The third section is the “Summary of Workforce Analysis” by Region. This details the present number of employees in each job category by race and sex. This is displayed by each region separately and a combined total of all the regions. This is shown on IDHR form 9.

The fourth section is a “Summary of Workforce Transactions” Report by EEO Category. This is a further breakdown of the new hires, promotions, intra-agency transfers, suspensions, resignations, discharges and lay-offs of each of the job groups by race and sex. This is shown on IDHR form 10.

The fifth section, the “Disability Quarterly Report,” is a report on the status of employment of persons with disabilities for the quarter. The underutilization of persons with disabilities is shown along with the total number of hires for the quarter and the total number of hires of persons with disabilities. A breakdown of the number of persons with disabilities, which are underrepresented, is displayed. The Tollway is at parity for employing persons with disabilities. This is shown on DHR form 27Q.

The final section details the Employment Discrimination Complaints. The Internal Complaints are listed on the first page and the External Complaints (those filed with an outside Agency) are found on the second page. This is IDHR form 15Q.

The Illinois State Toll Highway Authority, 2700 West Ogden Avenue, Downers Grove, Illinois 60515, submits this report.
