# **NOTICE**

## **CONSULTANT/ SUBCONSULTANT CONFLICTS OF INTEREST WITHIN TOLLWAY PROJECTS**

The Tollway has received questions regarding prime consultant and sub consultant conflicts of interest, specifically with regard to primes and their sub consultants who perform program management and project management services under the Program Management Office (PMO), Consulting Engineer (CE), Traffic Engineer (TE), Construction Corridor Management (CCM) and Design Corridor Management (DCM) contracts. The following applies:

Certain contracts require that a prime consultant cannot perform other services with the Tollway. Those contracts are the Consulting Engineer, Traffic Engineer and Program Management Office. Sub consultants working for these contracts can perform work on other Tollway projects provided that:

1. The sub consultant does not serve as the Tollway's project manager overseeing work done by that sub consultant firm on another Tollway contract - specifically if the sub consultant reviews progress reports and invoices of a contract that has that sub consultant as a part of the team.
2. The sub consultant does not review their own firm's work if that sub consultant firm is working on another Tollway contract.
3. Any other potential issue that a professional firm, professional individual or the Tollway reasonably determines is inappropriate.

For item 2 above, the prime consultant and sub consultant may resolve this conflict by documenting that another person that did not perform the original work being reviewed will be performing those reviews. For example, if a sub consultant has the responsibility of performing electrical lighting reviews for the prime consultant, and the sub consultant is also responsible for designing electrical lighting as a sub consultant on another Tollway contract, the prime consultant may substitute either another sub consultant or an employee of their own firm to review that contract's specific design submittal.

Prime consultants who have CCM and DCM contracts can work on other Tollway contracts. However, the prime firm and their sub consultants should not be in a position to review their own work. For example, a CCM may also have a Construction Management (CM) contract within their corridor. The CCM may have responsibility to perform documentation review of the CM firms within their corridor; however, the CCM should perform documentation review on their own CM contract. The Tollway will ask another firm to perform that review.

## **CONSULTANT/ SUBCONSULTANT CONFLICTS OF INTEREST WITHIN TOLLWAY PROJECTS (cont.)**

This notice is not intended to create confusion; rather it is to request the use of common sense and professional judgment. As professional firms, it is known that you should not place your firm in an unfair advantage, and when you believe there may be an issue, to quickly inform your prime consultant so that appropriate steps can be taken to mitigate any such instance. This notice is not intended to address any potential conflicts of interest ruled upon by the Tollway's Chief Procurement Officer and/or the Procurement Policy Board under the Illinois Procurement Code (30 Ill. Comp. Stat. 500).

## **Procurement Reform Bill**

### **Senate Bill 51(Public Act 96-0795) as revised by Trailer Bill 3576 (Public Act 96-0920), and subsequently Senate Bill 2958 (Public Act 97-0895)**

The Procurement Reform Bill commonly known as SB 51 (statutorily known as Public Act 96-0795) went into effect on July 1, 2010. In addition, Trailer Bill 3576, Public Act 96-0920, established applicable changes to SB 51(Public Act 96-0795) for additional Procurement procedures, processes and forms. The Procurement Omnibus Bill (Public Act 97-0895) was signed into law on August 3, 2012, which further revised some of the standard requirements under the Procurement Code.

Following are some of the highlights of the new requirements under the Bill:

#### **New Bid Submittal Requirements in Accordance with Public Act 96-0795 as revised by Public Act 96-0920 (Effective 7/1/10) and subsequently with Public Act 97-0895, effective 8/3/2012.**

##### **Prime Consultants:**

- Requirements are effective with Tollway Professional Services Bulletin10-2 and any subsequent Bulletins.
- Required to submit new Financial and Conflicts of Interest Disclosures with offer (Certification/Disclosure form revision date: v.13).
- Requires annual re-certification for multi-year contracts in accordance with the state's fiscal year which begins July 1st.

Beginning with Professional Services Bulletins advertised in 2013 or later, sub contract agreements are no longer required to be submitted upon execution of the contract. However, upon request, a copy of the sub contract must be submitted within fifteen (15) days after execution of the contract if selected, or after execution of the subcontract, whichever is later, for those subcontracts with an annual value of more than \$50,000. All subcontractors performing work with an annual value of \$50,000 or more must continue to provide the same certifications and disclosures as the Vendor makes as a condition of the contract.

##### **Sub-Consultants:**

- Sub-consultants whose annual contract value exceeds \$50,000 must provide required Financial & Conflict of Interest Disclosures, as well as State Certifications if requested, to the selected Prime.
- Requires annual re-certification for multi-year contracts in accordance with the state's fiscal year which begins July 1st.

The communications portion of the Act requires state employees who participate personally and substantially in the decision to award a state contract to report Vendor Communications to the Procurement Policy Board when the communication involves material information regarding a procurement or potential action concerning a procurement.

**Types of Communications Covered:**

Any written or oral communication – includes a letter, e-mail, face-to-face, group conversation, telephone or teleconference discussion.

**Types of Communications NOT covered:**

- Statements made by a person in a public forum.
- Statements regarding matters of procedure or practice. (Format, Number of copies, Manner of filing, Status).

  - Invitation for Bids;
  - Request for Proposal;
  - Request for Information; or
  - Provided similar assistance.

Unless requested by an employee of the State

(Except as part of a publicly issued opportunity to review drafts of all or part of these documents.)

Compliance with Public Act 96-0795, as revised by Public Act 96-0920 **and subsequently Public Act 97-0895**, is an essential part of the Illinois Tollway's contracts.

**Failure to comply with these requirements shall cause the bid to be rejected as non-responsive.**

# IMPORTANT NOTICE

## FREQUENTLY ASKED QUESTIONS

Q: Where do I submit my electronic Statement of Interest?

A. As stated in the Electronic Submittal Instructions, all electronic submittals must be addressed to [SOIPSB.13-2@getipass.com](mailto:SOIPSB.13-2@getipass.com). Be sure to follow the “subject line” instructions as referenced on page 16 or your e-mail may be rejected.

Q: When do I submit my electronic Statement of Interest?

A. You may submit anytime between the publication date and the due date of **April 18, 2013**, as indicated on the cover sheet. Statements of Interest received **AFTER** the 4:30:00 P.M. CST deadline **WILL NOT** be considered, including any partial submittals.

Q: We are proposing the services of a sub-consultant that is currently a sub-consultant to the Tollway through another Prime. Do we need to submit the sub-consultant’s current work obligation between the Tollway and the other Prime?

A. Only the Prime needs to submit their current work obligation with the Statement of Interest.

Q: Are sub-consultants required to complete the Certification/Disclosure forms?

A. Known sub-consultants whose annual contracts exceed \$50,000 SHALL separately complete and submit the Certification/Disclosure forms to the Prime upon selection (See Tollway website for Certification/Disclosure forms v.13.4).

Certification/Disclosure forms for sub-consultants whose annual contract value exceeds \$50,000, shall be submitted within 15 days of execution of the subcontract(s) by the Prime to the State Purchasing Officer (SPO) through the General Manager of Engineering at 2700 Ogden Ave., Downers Grove, IL 60515 within 15 days of contract execution (generally the Notice to Proceed date).

Q: Does the Prime need to be prequalified in each of the IDOT categories?

A. Each item listed in the Bulletin indicates the specific IDOT prequalification category that must be met by the prime firm, as well as the prequalification categories eligible to be met through a sub-consultant.

Q: We are considering entering into a Mentor-Protégé agreement. Is there a standard agreement available?

A. The Mentor-Protégé agreement should be developed by the participating parties. However, the agreement must meet the overall objectives of the Mentor-Protégé program as outlined in the Mentor-Protégé Guidelines.

Q: Our firm has not had any business dealings with the State of Illinois and as a result we have not registered with the State Board of Elections. The Standard Certification forms request information regarding our registration status. Are we obligated to register at this time?

A. If selected, it is understood that the contract value will exceed the statutory registration amount of \$50,000; therefore, failure to have registered as a business entity with the State of Illinois Board of Elections prior to the submittal of your offer (Statement of Interest) will result in your firm being considered non-responsive.

It is CRITICAL that submittal instructions be followed. All Forms, ESPECIALLY the SOI Team spreadsheet (SOITEAM.xls) must be submitted per the instructions provided. Failure to do so may result in an incomplete submittal resulting in your firm being disqualified. For further information on accessing the Tollway Website, PSB and Exhibits please see the last page of this bulletin.

The Tollway requires an electronic submittal of the Statements of Interest, and a SOI Team spreadsheet (SOI Team: Prime and sub-consultant PSB 13-2) that captures critical information used in the Selection Process. The instructions are as follows:

- You must obtain the SOI Team spreadsheet: Prime and sub-consultant PSB 13-2 Spreadsheet from the Tollway Website.

# **ELECTRONIC SUBMITTAL INSTRUCTIONS (cont.)**

The Tollway requires electronic submittals for the Professional Services Bulletin's Statements of Interest via the established PSB mail box. All respondents to the Illinois Tollway Bulletin must meet the required IDOT prequalification (item specific) and utilize a unique 2 to 6 character SOI Firm Name Code assigned by the Tollway.

To determine the designated SOI Firm Name Code go to the Tollway's website under Doing Business>Construction and Engineering - see Joint Resources and click on the link to the Professional Services Bulletin page. The current SOI Firm Name Code List will be posted under the "Required Forms" section. If your firm is not included on the list, or your firm name has changed, please contact Terri Smith at (630) 241-6800, extension 3311, for an assigned SOI Firm Name Code.

1. All electronic submittals must be addressed to [SOIPSB.13-2@getipass.com](mailto:SOIPSB.13-2@getipass.com).
2. All electronic submittals of your firm's e-mails subject lines MUST read: **SOIPSB13-2, SOI FIRM NAME CODE, ITEM (#'s)**.
3. When submitting "Partnership Mentor/Protégé" Team files, please use the Prime's 2-6 character SOI Firm Name Code. When submitting "Joint Venture" team files please, use the **new** SOI Firm Name Code assigned by the Tollway to the Joint Venture. The SOI Firm Code Name is exclusive to the electronic submittal – meaning it does not establish the name of the Joint Venture.
4. All Statements of Interest to be submitted through the e-mail system must use Adobe Acrobat 5.0 version or greater.
5. The size limitation on incoming e-mails is 7MB. If you exceed this limit, you must separate the contents into multiple e-mails. Identify the number of e-mails being sent (i.e. 1 of 3) in the subject line. Please do not submit part of an Item in one e-mail and another part in the next e-mail. Only those Item submittals that exceed 7MB should be submitted in more than one e-mail.
6. Scanned images, color graphics, and photographs which are converted to Adobe Portable Document Files (PDF) can be very large. Therefore, we are discouraging the use of color graphics, photographs and company logo images in the SOI submittal. The Word and/or Excel documents available on the website are labeled as follows:

Exhibit A.doc
Exhibit B.doc
Exhibit C.doc = Will be submitted as WL.pdf
Exhibit D.doc
Certification by Principal.doc = PRN
Signature Certification.doc
Certification Disclosure Forms.doc = DS.pdf
SOITEAM Spreadsheet.xls = SOITEAM.xls
ECP Internship Weekly Sign-in and out sheet
Mentor-Protégé Details

Complete the Word documents and then convert them to Adobe .pdf for the submittal.

## **ELECTRONIC SUBMITTAL INSTRUCTIONS (cont.)**

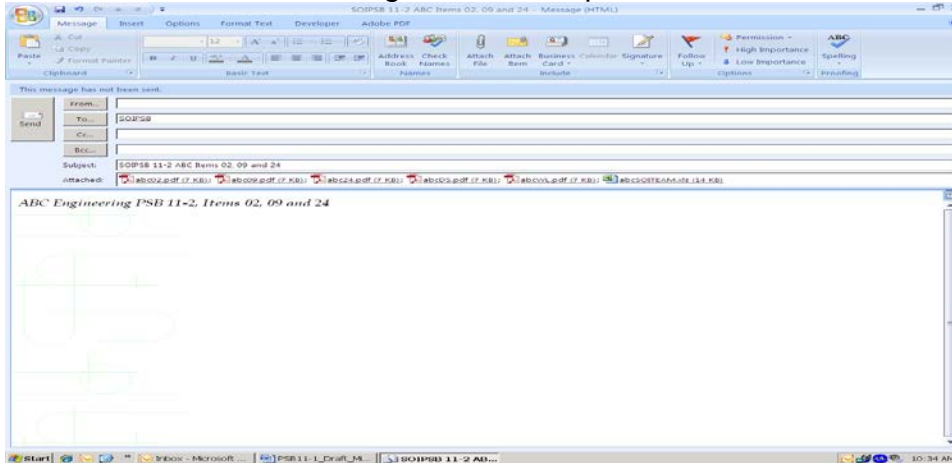

7. Do not send zipped files. They will be rejected and cause your submittal to be disqualified.
8. SOI e-mails must be received by 4:30:00 P.M. CST. Any e-mails or partial submittals received after that time will be disqualified.
9. It is important that your e-mail be prepared according to the following instructions.  
(Note: Engineering is used for example purposes only.)
  - The Subject Line **must** read: **SOIPSB13-2, SOI FIRM NAME CODE, ITEM (#'s) ((1 of 3) – if multiple e-mails).**
  - The first line of your e-mail should indicate your Firm Name, PSB and Item Number(s) on which your firm is submitting. If submitting more than one e-mail due to size, only reference the item numbers included with the e-mail.
  - The body of the e-mail submittal should list the name and phone number of your firm's contact person.
  - Each attachment must be labeled as indicated below:
    - 1) For each Item on which you are submitting, use your 2-6 character SOI Firm Name Code (this example = abc), immediately followed by the 2-digit Item Number (i.e., 01 through 99).

(Example: abcWL.pdf)
    - 5) For your firm's SOITEAM Spreadsheet, use your 2-6 character SOI Firm Name Code, followed by SOITEAM.xls. (For Joint Ventures the subject line of each email should utilize the Joint Venture Firm Name code assigned by the Tollway. The Joint Venture lead will submit on behalf of the participating partners and identify the partner with a (JV) following their firm name in the work sheet.)  
(Example: abc\_JVSOITEAM.xls)

***DO NOT CONVERT THE SOITEAM SPREADSHEET INTO pdf.***

## STATE BOARD OF ELECTIONS REGISTRATION PUBLIC ACT 95-971 AS AMENDED BY PUBLIC ACT 96-0848 AND SUBSEQUENTIALLY PUBLIC ACT 97-895

Public Act 95-0971, as amended by Public Act 96-0848, went into effect January 1, 2009. The Act addresses campaign contributions, as well as registration and reporting requirements with the State Board of Elections, for certain State vendors and bidders. Accordingly, this solicitation contains the provisions that implement the Act. These provisions may be applicable to the contract resulting from this solicitation.

As a result, certain business entities are required to register with the State Board of Elections. A business may register electronically by going to <https://BEREP.elections.il.gov> or by accessing the Board of Elections website at <http://www.elections.il.gov> and clicking on the Business Registration tab. An updated certificate of registration is produced upon registration as well as each time any required information is changed by the user.

Frequently asked questions regarding Board of Elections registration and its implementation can be reviewed at:

<http://www.elections.il.gov/businessregistration/businessregistrationfaq.aspx>

To demonstrate compliance with Public Act 95-971, bidders **MUST** submit a current copy of the Board of Elections registration certificate with their proposals/bids. Public Act 97-895 further amended Public Act 95-971 to modify automatic disqualification of an entity who fails to submit its Board of Election Certificate. However:

**Failure to have registered as a business entity with the State of Illinois Board of Elections *prior* to the submittal of your offer (Statement of Interest) will result in your firm being considered non-responsive.**

# **NOTICE**

## **VENDOR DELINQUENT DEBT**

In accordance with Illinois Procurement Code 30 ILCS 500/Section 50-11 vendors and their affiliates are barred from submitting or being awarded a state contract if there is an unsatisfied delinquent debt with the State.

Prior to awarding any contract or entering into any agreements, state agencies are required to inquire, using the vendor FEIN, the Comptroller's Offset System to determine if any delinquent debt has been placed by a state agency. The inquiry shall be made for the prime vendor and each known sub-contractor.

If delinquent debt is confirmed on the Prime contractor/consultant, the award may not be granted.

If delinquent debt is confirmed on a sub-contractor/consultant, the award may still be made to the Prime contractor/consultant; however, the sub-contractor/consultant may not be used as part of the contract until the debt has been satisfied. Every sub-contractor/consultant contract shall contain a certification by the sub-contractor/consultant that it is not barred from being awarded a contract under 30 ILCS 500/50-11.

Therefore, the Federal Employment Identification Number (FEIN) is to be included by the consultant in the SOI Team Spreadsheet for both the Prime consultant and all known sub-consultants.

## **NOTICE**

### **ILLINOIS TOLLWAY'S CONTRACT PAYMENT POLICY**

The Illinois Tollway will no longer make payments under contracts for costs incurred during the preceding calendar year if any invoice for that work is received after February 28th of the subsequent fiscal year.

This policy will enable the Illinois Tollway to close its financial books both on time and accurately. In order to meet the requirements of Generally Accepted Accounting Principles and those of the Illinois Auditor General and external auditors, the Tollway must account for all of its expenditures for a given year before the end of the subsequent February.

The Illinois Tollway's current contracts already require vendors to submit their invoices and progress reports on the 20<sup>th</sup> of each month for the previous month's work. Therefore, we do not anticipate this change in policy to have an adverse impact on payment of invoices.

This policy includes payment of any "re-bill" issues that may arise. We are unable to make any payments for work in a given year if it has not been properly invoiced to the Illinois Tollway by February 28th of the following year.

# **NOTICE**

## **EARNED CREDIT PROGRAM CONSTRUCTION MANAGERS INTERNSHIP**

The Earned Credit Program (ECP) Construction Managers Internship was formed to promote the hiring of ECP candidates by placing them within Tollway projects. The ECP Construction Manager Internship Program provides contractors the benefit of observing ECP candidates' abilities on the jobsite prior to hiring. ECP candidates benefit from exposure to different trade unions, contractors and sub-contractors within Tollway projects.

The ECPCM Internship Program is a four-week program (160 hours) that prepares candidates by exposing them to the work setting of a construction site. The program provides ECP candidates with the opportunity to be involved in day-to-day operations, obtain safety training and have access to contractors for job interviewing purposes. The interns are mentored to enhance their "soft-skills" as they interface with the various elements of the work site.

ECP candidates should:

1. Shadow and assist field inspectors.
2. Participate in job meetings with project managers, construction managers, contractors and sub-contractors.
3. Maintain a field journal used in discussions with engineers.
4. Schedule and undergo interviews with contractors and sub-contractors on the jobsite.

Construction managers should:

1. Introduce ECP candidates to contractors and sub-contractors on the jobsite and help in coordinating interviews.
2. Provide counsel and feedback through a bi-weekly evaluation process.
3. Upon completion of the 160 hours of internship, bill the time to the Tollway through the regular invoicing process.

The purpose of the ECPCM Internship Program is to encourage union signatory contractors, sub-contractors and fabricators to sponsor into applicable unions qualified and eligible disenfranchised individuals: African Americans, Hispanics, females, ex-offenders and veterans referred to them by the Tollway. These disenfranchised individuals have been screened using industry standards for union membership. The "credit" is currently only applicable to the Tollway's Congestion Relief Program contracts, however, the ECP candidates can be assigned to work anywhere in the State of Illinois as long as they are paid union-scale wages and benefits.

Job placement opportunities are created by the construction manager advocating placement of the candidate with project general contractors or sub-contractors. The ultimate goal of the program is to place ECP candidates with a construction company and, if necessary, sponsor them into a trade union.

# **Illinois Tollway Disclaimer Statement Disadvantaged Business Enterprises (DBE) Directory and City of Chicago Minority and Women-Owned Business (M/WBE) Directory**

Firms listed in either the Illinois Unified Certification Program (IL UCP) Disadvantaged Business Enterprises Directory (Directory) or the City of Chicago Minority and Women-Owned Business Directory have been certified as a Disadvantaged Business Enterprise (DBE) by one of the IL UCP participating agencies (Illinois Department of Transportation, City of Chicago, Chicago Transit Authority, Metra and Pace) or by the City of Chicago.

The criteria, standards and procedures by which certification decisions are made can be obtained from any of the IL UCP certifying agencies. The contract dollar amounts committed to DBE/MBE/WBE certified firms on Illinois Tollway contracts may be eligible to be counted toward the fulfillment of DBE/MBE/WBE contract goals on both construction contracts and professional service awards.

These directories are to be used as an “informational source only” and the following must be considered:

- Certification does not mean that a firm is in any way prequalified to provide the products and/or services the firm claims it can provide. “Certification” means that the IL UCP or the City of Chicago has determined, on the basis of information provided and the representations therein, that a business is a bona fide DBE/MBE/WBE. The IL UCP or the City of Chicago does not, as a result of either listing, make any representation concerning the ability of any listed firm to perform work in the specialty listed;
- The Tollway does not, through its use of and referral to IL UCP DBE and City of Chicago MBE/WBE lists, make any representation concerning the ability of any listed firm to perform work in the specialty listed.
- The Illinois Tollway in awarding a contract has discretion in determining whether a DBE/MBE/WBE firm’s listed work categories are eligible to be counted toward the fulfillment of DBE/MBE/WBE contract goals; and
- The IL UCP disclaims any and all responsibility concerning errors, omissions or misrepresentations which may be contained in its publication. It is the responsibility of all contractors to:
  - a) Conduct their own investigation to determine the capability and capacity of the DBE/MBE/WBE firm(s) to satisfactorily perform the proposed work; and
  - b) Ensure the DBE/MBE/WBE firm(s) has a current DBE/MBE/WBE certification letter.

These directories list the most current IL UCP DBE/City of Chicago MBE/WBE certified firms. If there are any questions concerning either of these directories, please contact any one of the participating IL UCP agencies or the City of Chicago Department of Compliance.

The D/M/WBE Protégé firm must perform a commercially useful function under the contract, have the wherewithal and experience to perform under the consultant's Agreement and not act merely as a middle-person, passive conduit or broker of services.

The Protégé should have an established track record as a professional service consultant and expressed interest in expanding its services in a particular field such as construction management, construction engineering, construction, inspection services, project management and/or surveying services.

The Protégé commitment must meet at a minimum 15% D/M/WBE participation of the total contract value on the prime level. The participating Protégé must actually perform a distinct element of work and must provide management and supervision of that work with its own work force.

The Protégé is eligible to participate in other subcontracting opportunities, outside the parameters of the Partnership - Mentor/Protégé Program, on other contracts. Exclusive agreements between the Mentor and Protégé are prohibited and violate federal anti-trust laws.

The Protégé must remain a separate and distinct independent business entity from the Mentor.

## **PROGRAM MONITORING, REPORTING AND RECORD KEEPING**

Tollway staff will conduct periodic compliance reviews to monitor and report the Protégé's progress. A schedule will be established with the parties to monitor performance and compliance with the Partnership - Mentor/Protégé Agreement.

Commencing 30 days following the date that the Partnership - Mentor Protégé Agreement is approved, a Monthly Utilization Report (MUR) must be submitted to the General Manager of Diversity to verify payments towards meeting the 15% of the prime contract commitment to the Protégé as a partner on the prime consultant level. The MUR must summarize the kinds of services and/or skills provided to Protégé including hours and areas of involvement, such as managerial, technical or financial assistance. Additional information may be requested by the Tollway if the report is not acceptable. The MUR is available on the Tollway's website – see Diversity Program section.

Time sheets in a form acceptable to the Tollway and MUR's must be maintained by the Mentor with a sign-off by Protégé to be submitted to the General Manager of Diversity.

# JOINT VENTURE AGREEMENT

The Illinois Tollway began considering Statements of Interest submitted by Joint Ventures beginning with PSB 08-02. The Joint Venture submittal requirements are described below:

The Joint Venture participants must clearly be identified with the Statement of Interest submittal and the Joint Venture shall be considered the Prime Consultant upon selection. Indicate whether the Joint Venture being entered into is a soft or hard partnership. The selection criteria for the Joint Venture will include the combined firm's prequalification categories, and the sum of the individual firm's work capacity and evaluation history.

The Tollway requires the Joint Venture to perform no less than 40% of the work, meaning the Joint Venture cannot subcontract more than 60% of the project work. The scope of work to be performed by each Joint Venture participant and its sub contractors must be clearly defined and leave no room for interpretation in the Statement of Interest. Each Joint Venture participant must make a substantial contribution to the performance of the work being completed by the Joint Venture. What is meant by substantial depends upon the number of participants in the Joint Venture, the professional qualifications of each participant, and the nature of the work being performed.

A Joint Venture Agreement, signed by all participants, **MUST** be submitted within ten (10) business days after contract negotiations and prior to Board award. The Joint Venture Agreement will clearly identify the Joint Venture participants, their percentage interest / share, as well as respective rights and responsibilities. The Joint Venture Agreement shall further designate a managing partner who will assume responsibility for invoicing. The Joint Venture may have no more than three participants. If entering into a hard (legal entity) Joint Venture, a separate legal entity name must be provided along with the new tax identification number.

Each Joint Venture participant shall procure and maintain separate insurance policies that meet the Tollway's insurance requirements. The Tollway's standard insurance requirements are set forth in the Consultant Agreement boiler plates (See Tollway website @ [www.illinoistollway.com](http://www.illinoistollway.com) under Doing Business>Construction and Engineering: Consultant Resources under Consultant Forms). Each Joint Venture participant will procure and maintain policies that meet the required Prime's level of coverage and shall indemnify the Joint Venture against claims arising from their performance under the Joint Venture, as well as agreeing to be joint and severally liable upon termination of the Joint Venture. In the event of the termination of the Joint Venture, the insurance and indemnification rights of the Joint Venture must be assignable to the Tollway as a matter of law. Proof of compliance with these requirements must be submitted to the Tollway prior to issuance of a Notice to Proceed.

Joint Venture Statement of Interest (SOI) submittal requirement overview:

- Designate a single point of contact who shall serve as the Joint Venture's primary contact with the Tollway.
- Indicate the firm responsible for each prequalification category.
- Each Joint Venture participant shall submit outstanding work obligations, certification and disclosure forms.
- Identify the firm responsible for invoicing.
- For Exhibit A, plus other required documents specified in the PSB, combine the information for all participating Joint Venture firms.
- Submit the Joint Venture Agreement within ten (10) days of contract negotiation and prior to Board award.

A firm planning to submit a Statement of Interest as a Joint Venture is required to contact the Tollway for a Joint Venture SOI Firm Name Code. Contact Terri Smith via e-mail at [terri.smith@getipass.com](mailto:terri.smith@getipass.com). The Joint Venture SOI Firm Name Code as provided by the Tollway is required to identify and process the submittal as a Joint Venture proposal.

Only the managing partner is required to fill out a SOITEAM.xls spreadsheet on behalf of the Joint Venture. It is imperative that the other Joint Venture participants do NOT submit a SOITEAM.xls spreadsheet for which they are not the managing partner. The managing partner is to clearly identify the Joint Venture participants and sub consultants doing work for or in conjunction with the Joint Venture within the Joint Venture team SOITEAM.xls spreadsheet submittal.

Examples of a Joint Venture (JV) submittal:
